## Additional Examples of Evidence

AUSTRALIAN  
COLLEGE OF  
PHYSIOTHERAPISTS

### Additional Examples of Evidence

The portfolio is a collection of your work, which demonstrates your skills, knowledge and expertise that you have developed over a period of 3 years. Please find below a list of additional examples, which you may use as evidence to collate your portfolio.

#### Note

- This is not an exhaustive nor prioritised list.
- Please refer to the “**Mandatory Requirements & Supporting Evidence V2 May 2024**” for details of what is required and expected at this level. Noting that one item of evidence can be submitted across a number of roles.
- This **alternative** list aims to provide a more distinct set of examples for each role, ensuring that there is **no double up** with the examples listed in the “Mandatory Requirements & Supporting Evidence.”
- The following may also be submitted however the candidate must demonstrate how the evidence meets at least one of the physiotherapy competence framework roles, in the area of practice for which the candidate has applied for Titling.
