

Australian College of Physiotherapists: Standing Committees Nomination Form

The ACP Standing Committees provide advice and guidance on the APA Career Pathway; they report to the ACP College Council.

Definitions of the College Council and College Standing Committees are outlined below:

- **ACP** means the Australian College of Physiotherapists.
- **ACP Assessment and Credentialing Standing Committee (ACSC)** provides strategic and operational oversight of all assessment and credentialing requirements for ACP Titling and Fellowship programs, including the appointment, training and education of examiners and assessors.
- **ACP Fellowship Pathways Standing Committee (FPSC)** provides strategic and operational oversight of all ACP Titling and Fellowship programs.

The ACP Standing Committees are calling for nominations for members to take up a three (3) year vacancy term on a Standing Committee. You may nominate for more than one ACP Standing Committee.

Summary below of nominations that are open

ACP Assessment and Credentialing Standing Committee	Two (2) vacancies, term 1 January 2025 to 31 December 2027
ACP Fellowship Pathways Standing Committee	Two (2) vacancies, term 1 January 2025 to 31 December 2027

If elected to more than one position Standing Committee, the nominee may need to assess workload, and consider potential conflict of interest in determining the acceptance of more than one position.

The term of office will run from **1 January 2025 until 31 December 2027**. Successful nominees will have the option of re-nominating to serve on the ACP Standing Committee for a second term, (a total of two (2) consecutive terms of three (3) years).

If more nominations are received than positions available, a ballot will be held. Otherwise the nominee(s) will be elected unopposed.

The ACP College Council encourages physiotherapists from rural or remote areas, and from all sectors of the health workforce to apply.

The ACP Standing Committees generally meet 4-5 times per year via video conference.
