

DO YOU LOVE A TRADIE?

Tradies make up
more than 10%
of the workforce
– we all know one.

Did you know?

A recent survey found that majority of Australian tradies report experiencing workplace injuries, with **76%** highlighting that the pain associated with these injuries significantly impacts their quality of life.

Physiotherapists are uniquely positioned to support tradies. They work to help prevent, treat and manage the musculoskeletal concerns that can plague tradies throughout their career.
