

AUSTRALIAN
PHYSIOTHERAPY
ASSOCIATION

Coronavirus (COVID-19)

Have you travelled to or transited through an affected country in the last 14 days

OR

had contact with someone with Coronavirus or who is suspected of having Coronavirus

AND

have any of these symptoms:

Cough

Fever

Shortness of breath

**PROTECT YOURSELF AND OTHERS
BY RETURNING HOME AND CONTACTING
YOUR LOCAL GP**

If you are experiencing any of the above symptoms, but you haven't travelled or been in contact with someone with Coronavirus or who is suspected of having Coronavirus, please contact us to determine if you need to reschedule your appointment. Thank you.
